

Dimitris Vlantos Announces Retirement

Piraeus, 10/10/2014

After 37 years of working faithfully for MAN Diesel & Turbo Hellas, Dimitris Vlantos retired on 30 September, 2014. He originally joined MAN Diesel & Turbo in 1977 and played a prominent role in driving the company's major developments and changes, enabling it to successfully face the changing needs and expectations of the Greek shipping industry.

Promoted to Managing Director in 2007, Vlantos guided the Hellenic subsidiary into sustainable growth until the beginning of January 2014 when his successor, Dionissis Christodouloupoulos, assumed his position with Vlantos continuing in a supporting role as project manager. Christodouloupoulos (MBA, Mechanical Engineer) joined the company in 2009 and has a deep knowledge of the shipping industry and market needs.

MAN Diesel & Turbo Hellas would like to thank Dimitris Vlantos for his great contribution throughout his lengthy career and wishes him the very best for the coming years.

About MAN Diesel & Turbo

MAN Diesel & Turbo SE, based in Augsburg, Germany, is the world's leading provider of large-bore diesel engines and turbomachinery for marine and stationary applications. It designs two-stroke and four-stroke engines that are manufactured both by the company and by its licensees. The engines have power outputs ranging from 450 kW to 87 MW. MAN Diesel & Turbo also designs and manufactures gas turbines of up to 50 MW, steam turbines of up to 150 MW and compressors with volume flows of up to 1.5 million m³/h and pressures of up to 1,000 bar. The product range is rounded off by turbochargers, propellers, gas engines and chemical reactors. MAN Diesel & Turbo's range of goods includes complete marine propulsion systems, turbomachinery units for the oil & gas as well as the process industries and complete power plant solutions. Customers receive worldwide after-sales services marketed under the MAN PrimeServ brand. The company employs around 14,500 staff at more than 100 international sites, primarily in Germany, Denmark, France, Switzerland, the Czech Republic, India and China. MAN Diesel & Turbo is a company in the Power Engineering business area of MAN SE.
